**DPW Order No: 179,335**

SUPPLEMENT TO DPW ORDER NO. 178,940 - REGULATIONS FOR EXCAVATING AND RESTORING STREETS IN SAN FRANCISCO.

Department of Public Works (DPW) Order No. 178,940, approved November 8, 2010 established regulations and guidelines pursuant to Article 2.4 of the Public Works Code for excavating and restoring City maintained (accepted) streets in San Francisco.

Article 9 (Unaccepted Streets) of the Public Works Code states that all property owners whose lots are adjacent to, and abut any portion of an unaccepted right-of-way are responsible for the maintenance, including re-paving and improving the condition of the unaccepted right-of-way to the satisfaction of the Director of Public Works.

Amending Section 12 (Paving Restoration Requirements) by including Section 12.5, as follows:

**12.5 What are DPW's rules for excavating and restoring pavement for unaccepted rights-of-way?**

Upon excavation of existing pavement on an unaccepted right-of-way, the restoration requirement shall only include the restoration of the width of the trench.
