- Gough St. at Pine St.
- Gough St. at California St.
- Gough St. at Washington St.
- Gough St. at Jackson St.
- Gough St. at Pacific Ave.
- Gough St. at Broadway

Bay Area Lightworks, Inc., under direction of San Francisco Public Works, will perform work that consists of pedestrian and vehicular traffic signal work, curb ramp construction, traffic control, and all associated work.

Construction is anticipated to begin at the first location in November 2018 with completion expected at the last location in November 2019. Since this contract includes 17 locations, it may be several weeks or months before we reach your block. You will receive a follow-up notice about 10 days before work is scheduled to begin on your block.

No parking barricades/signage will be posted at least 72-hours before work begins to alert motorists of parking restrictions. Work hours for construction are Monday through Friday, 7:00 AM to 5:00 PM. Please expect minor traffic impacts, parking restrictions and pedestrian routing etc.

For additional information, please contact any of the following:
