Additional Provisions and Requirements for all Customers	
Residential and apartment rates apply to single and multi-family homes, flats, apartments, condominiums, tenancies in common, in-law units, lofts, live/work spaces (unless clearly commercial), single room occupancy hotels (with an apartment license) and low income housing. Buildings with more than 600 rooms (not counting kitchens and bathrooms) or with bins 3 yards or larger or compactor service, mixed-use buildings without dedicated residential bins and all other buildings are charged commercial rates. Customer must provide accurate unit and room counts, subject to verification by Recology.	
City law mandates everyone must have adequate refuse service, pay for service on time and properly separate recyclables, compostables and trash. Minimum trash service is 20 gallons weekly for single-family and 16 gallons weekly per unit for multi-family buildings. Minimum service is 16 gallons weekly per unit for recycling and 4 gallons weekly for composting, unless there are no recyclables or compostables in the trash. Bins may be shared by dwelling units within one building if refuse service minimums are met. Apartment rates are for shared bins only.	
Recycling, composting and trash bins should be at the same location. Bins shall be unobstructed and placed for easy access so they can be used and serviced in a normal and safe manner, as determined by Recology.	
Refuse is to be in standard bins. Standard bin volume charges are linear. Loose material, overflow (lid must be closed), overweight (more than 2 pounds per gallon) or non-standard bins may be charged the next highest standard bin rate. Cardboard must be put in a bin, cardboard box or paper bags not exceeding 2 feet in any dimension, or else it may be charged \$5 per setout.	
Additional frequency charges are linear (weekly service charges are multiplied by the number of collections per week). 20-gallon bins are not serviced more frequently than once per week.	
Saturday service is 75% more than the applicable rate (including volume, distance, elevation, key and special service charges) for weekday service. For Saturday collection, at least 3 day per week service is required.	
Sunday service is 175% more than the applicable rate (including volume, distance, elevation, key and special service charges) for weekday service. For Sunday collection, daily service is required.	
Street level and curb is where vehicle must park to service customer's bins. Distance is measured from vehicle along service path to bins. Elevation is determined by adding all distances up and down along service path.	
Volume, distance, elevation, key and other charges are per location. Charges may be split among customers at the same location at 150% of the otherwise applicable rate. If two or more customers split service charges, they will be applied to each billpayer equally or as designated by the customers, subject to approval by Recology.	
A key charge is applied each time weekly a key (including a key pad, combination lock, electronic door opener or other such entry mechanism) is required to enter or leave/secure premises, or unlock or relock containers (including having to get out of vehicle again even if no key is required, such as relocking frontload bins). A key charge will not be applied for relocking rearload or sideload bins.	
Contaminated recycling and composting bins may be charged as trash. Trash with excessive recyclables or compostables may be charged a 50% processing fee.	
Recology performs service audits from time to time and will adjust the service levels to reflect actual service being provided. It is the customer's responsibility to monitor all services and charges and notify Recology of any errors. Service adjustments or credits will not exceed 30 days or one billing cycle, whichever is greater, from the time of notification by the customer.	
Recology is responsible for normal wear of bins provided to customers. Customers are responsible for damaged bins beyond normal wear, reporting missing bins and excessive missing bins. Bin cleaning service is available with additional charges.	
\$20 will be charged to open a service account. Closing an account is only allowed for residency changes. Credit will be given for suspension of service (e.g., vacations) for more than two weeks. Customers must notify Recology of the suspension and restart dates before start of suspension. Base charges are not credited and an administrative fee of \$10 is charged to restart service after suspension.	
E-bill customers will be credited \$1 for each bill received and paid electronically.	
\$25 will be charged for each check returned for insufficient funds.
