

Concrete Contractors Wanted

The City of San Francisco is responsible for maintenance of more than 125,000 street trees and tree basins which means **over 125,000 potential locations for concrete and sidewalk work.**

Does your company have experience with trip hazard mitigation, sidewalk repair due to tree root lifting, or other concrete work within the public right of way?

Do you have a C-8 Concrete or D-6 Concrete-Related services license?

**APPLY TODAY TO BECOME A PUBLIC WORKS
CONCRETE CONTRACTOR!**

First, download the Request for Qualifications materials from www.sfpublishworks.org/biddocs.

1. MAN-M01—RFQ for Master As-Needed Sidewalk Repair Project

Second, become a qualified City vendor. You will need:

- ✓ Current California Department of Industrial Relations [registration](#)
- ✓ A current [San Francisco Vendor Number](#)
- ✓ A [San Francisco Business Tax](#) certificate number
- ✓ Be compliant with the City's [12B Equal Benefits Ordinance](#)
- ✓ And, if you are a small San Francisco based business, a [Local Business Enterprise](#) certification

Third, to receive a master agreement, you will need to

- ✓ Be able to provide Payment and Performance bonds before starting work
- ✓ Have proof of insurance
- ✓ Pay prevailing wage
- ✓ Provide other items as required in the RFQ

Look over the RFQ packet. If you need help complying with any of the City business requirements, let us know. We can help you become a City vendor.

We're looking forward to your help in caring for our beautiful urban forest!
