Re: Suspension of Portion of Expedited Condominium Conversion Program Due to Legal Challenge

To whom it may concern:

Please be advised that a recent legal challenge to the City and County of San Francisco's Expedited Condominium Conversion Program ("ECP") has required the City and County of San Francisco ("City") to suspend the ECP with respect to certain ECP applications for buildings with non-owning tenants. This letter describes the scope and applicability of this suspension. We encourage you to consult your legal counsel regarding the applicability of the suspension to your property and the status of any associated ECP application.

On June 26, 2017, a complaint was filed in the United States District Court to challenge provisions in the ECP requiring property owners seeking to convert a building into a condominium to offer any non-purchasing, non-owning tenant a written offer to enter into a "life time lease," as set forth in the San Francisco Subdivision Code. (See Attachment A [S.F. Subd. § 1396.4(g)]; see also Attachment B [Complaint, Pakdel v. City and County of San Francisco et al., Case No.: 3:17-cv-03638 (U.S. District Court, N.D. Cal.).] According to Board of Supervisors Ordinance No. 117-13 (effective July 28, 2013), the service of the complaint upon the City on June 27, 2017, triggered the suspension of the ECP with respect to buildings with a unit occupied by a non-owning tenant. (See Attachment C [Ordinance No. 117-13].) Please note that ECP applications for buildings without any units occupied by a non-owning tenant shall continue to be accepted and processed.

The scope and effects of the suspension for various categories of ECP applications are described below.

- **ECP Applications With Final and Effective Tentative Parcel Map or Tentative Map Approval On or Before June 27, 2017.**
  Applicants that obtained final and effective Tentative Parcel Map or Tentative Map approval on or before June 27, 2017 (for buildings with or without non-owning tenants) may proceed to final Parcel Map or Final Subdivision Map approval and recordation of such maps, subject to Public Works' authority and discretion under the Subdivision Code.

- **ECP Applications for Buildings Without Non-Ownng Tenants.**
  ECP applications for buildings without any non-owning tenants may be accepted, tentatively approved, and finally approved.

- **ECP Applications for Buildings With Non-Ownng Tenants (Submitted After June 27, 2017).**
  ECP applications submitted after June 27, 2017 for buildings with any non-owning tenants will not be accepted or approved until further notice from the City and County Surveyor.

- **ECP Applications for Buildings With Non-Ownng Tenants (Without Tentative Parcel Map or Tentative Map Approval as of June 27, 2017).**
  ECP applications for buildings with non-owning tenants that lack Tentative Parcel Map or Tentative Map approval as of June 27, 2017 will be suspended until further notice from the City and County Surveyor.
ECP applications that have not been approved, or for which final and effective Tentative Parcel Maps or Tentative Maps have not been approved, by June 27, 2017 shall remain suspended until final judgment (or dismissal) in all courts with respect to the above-referenced lawsuit or January 1, 2024, whichever occurs first. During the suspension of a portion of the ECP, any applicant may seek a refund of any previously paid ECP application fee or condominium conversion fee. Upon receiving an applicant's request for an application fee refund, Public Works and any other reviewing City Departments will deduct costs incurred by the City, based on time and materials expended, and will refund any remaining portion of the application fee.

(8) For applications for conversion pursuant to Subsections (3)-(7) only, a unit that is "occupied continuously" shall be defined as a unit occupied continuously by an owner of record for the six year period without an interruption of occupancy and so long as the applicant owner(s) occupied the subject unit as his/her principal place of residence for no less than one year prior to the time of application.

(A) Notwithstanding the occupancy requirements set forth above, each building may have one unit where there is an interruption in occupancy for no more than a three month period that is incident to the sale or transfer to a subsequent owner of record who occupied the same unit. For any unit with an interruption of occupancy, the applicant shall provide evidence to establish to the satisfaction of the Department that the period did not exceed three months.

(B) Notwithstanding the occupancy requirements set forth above, each building may have one unit where there is an interruption in occupancy for no more than a one year period if the sale or transfer to a subsequent owner of record who occupied the same unit was delayed during the term of a bank foreclosure against the former owner's interest in the building related to the subject unit. For any unit with an interruption of occupancy as a result of a foreclosure as described in Subsection (B), the applicant shall provide evidence to establish to the satisfaction of the Department that the period did not exceed one (1) year.

(9) An "Additionally Qualified Building" within the meaning of this Section is defined as a building in which the initially eligible applicant owners of record have a fully executed written agreement as of April 15, 2013 in which the owners each have an exclusive right of occupancy to individual units in the building to the exclusion of the owners of the other units; provided, however, that said agreement can be amended to include new applicant owner(s) of record as long as the new owner(s) satisfy the requirements of Subsection (8) above. In addition to the requirements listed in this Subsection (8), an Additionally Qualified Building also includes a five or six unit building that: (A) on April 15, 2013, had 50 percent or more of the units in escrow for sale as a tenancy-in-common where each buyer shall have an exclusive right of occupancy to an individual unit in the building to the exclusion of the owners of other units or (B) is subject to the requirements of Section 1396.2 (f)
and 50 percent or more of the units have been occupied continuously by owners of record for no less than ten years prior to the date of application as set forth in Subsections (3)-(7).

(10) In addition to all other provisions of this Section, the applicant(s) must meet the following requirements applicable to Subdivision Code Article 9, Conversions: Sections 1381, 1382, 1383, 1386, 1387, 1388, 1389, 1390, 1391(a) and (b), 1392, 1393, 1394, and 1395. Also, the applicant(s) must certify that to the extent any tenant vacates his or her unit after March 31, 2013 and before recordation of the final parcel or subdivision map, such tenant did so voluntarily or if an eviction or eviction notice occurred it was not pursuant to Administrative Code Sections 37.9(a)(8)-(14). If an eviction has taken place under 37.9(a)(11) or 37.9(a)(14) then the applicant(s) shall certify that the original tenant reoccupied the unit after the temporary eviction.

(11) If the Department finds that a violation of this Section occurred prior to recordation of the final map or final parcel map, the Department shall disapprove the application or subject map. If the Department finds that a violation of this Section occurred after recordation of the final map or parcel map, the Department shall take such actions as are available and within its authority to address the violation.

(c) Decisions and Hearing on the Application.

(1) The applicant shall obtain a final and effective tentative map or tentative parcel map approval for the condominium subdivision or parcel map within one (1) year of paying the fee specified in Subsection (e).

(2) No less than twenty (20) days prior to the Department's proposed decision on a tentative map or tentative parcel map, the Department shall publish the addresses of building being considered for approval and post such information on its website. During this time, any interested party may file a written objection to an application and submit information to the Department contesting the eligibility of a building. In addition, the Department may elect to hold a public hearing on said tentative map or tentative parcel map to consider the information presented by the public, other City department, or an applicant. If the Department elects to hold such a hearing it shall post notice of such hearing and provide written notice to the applicant, all tenants of such building, any member of the public who submitted information to the Department, and any interested party who has requested such notice. In the event that an objection to the conversion application is filed in accordance with this Subsection, and based upon all the facts available to the Department, the Department shall approve, conditionally approve, or disapprove an application and state the reasons in support of that decision.

(3) Any map application subject to a Departmental public hearing on the subdivision or a subdivision appeal shall have the time limit set forth in this Subsection (c)(1) extended for another six (6) months.

(4) The Director of the Department of Public Works is authorized to waive the time limits set forth in this Subsection (c)(1) as it applies to a particular building due to extenuating or unique circumstances. Such waiver may be granted only after a public hearing and in no case shall the time limit extend beyond two (2) years after submission of the application.

(d) Should the subdivision application be denied or be rejected as untimely in accordance with the dates specified above, or the tentative subdivision map or tentative parcel map disapproved, the City shall refund the entirety of the applicant's fee specified in Subsection (e).

(e) The fee amount is $20,000.00 per unit for all buildings that seek to convert under Subsection (b)(1)-(7). Said fee shall be adjusted annually in accordance with the terms of Section 1315(f). Said fee is reduced for each year the building has participated in the condominium conversion lottery up to and including the 2013 lottery in accordance with the following formula:

(1) 2 years of participation, 20% fee reduction per unit;
(2) 3 years of participation, 40% fee reduction per unit;
(3) 4 years of participation, 60% fee reduction per unit; and
(4) 5 or more years of participation, 80% fee reduction per unit.
(f) For purposes of Section (e), a building's owner(s) shall get credit only for those years that he or she participated in the lottery even though such building could have qualified for and participated in other condominium conversion lotteries.

(g) **Life Time Lease for Non-purchasing Tenants.**

(1) Any application for conversion under this Section shall include a certification under penalty of perjury by the applicants that any non-purchasing tenant(s) in the building has been given a written offer to enter into a life time lease in the form and with the provisions published and prescribed by the Department in consultation with the Rent Board. Such written offer for a life time lease shall be executed by the owners of the building(s) and recorded prior to the time of Final Map or Parcel Map approval. Any life time leases made pursuant hereto shall expire only upon the death or demise of the last such life-tenant residing in the unit or the last surviving member of the life-tenant's household, provided such surviving member is related to the life-tenant by blood, marriage, or domestic partnership, and is either disabled, catastrophically ill, or aged 62 or older at the time of death or demise of any such life-tenant, or at such time as the life-tenant(s) in the unit voluntarily vacates the unit after giving due notice of such intent to vacate.

(2) (A) Each lease shall contain a provision allowing the tenant to terminate the lease and vacate the unit upon 30 days' notice and a provision that rent charged during the term of the lease shall not exceed the rent charged at the time of filing of the application for conversion, plus any increases proportionate to the increases in the residential rent component of the "Bay Area Cost of Living Index, U.S. Dept, of Labor," provided that the rental increase provisions of this Section shall be operative only in the absence of other applicable rent increase or arbitration laws.

(B) The lease also shall state that it shall not alter or abridge the rights or obligations of the parties in performance of their covenants, including but not limited to the provision of services, payment of rent or the obligations imposed by Sections 1941, 1941.1, 1941.2, 1941.3, and 1941.4 of the California Civil Code and that there shall be no decrease in dwelling unit maintenance or other services historically provided to such units and such life-tenants.

(C) The lease shall include the following language:

Tenant agrees that this Lease shall be subject and subordinate at all times to (i) all ground leases or underlying leases that may now exist or hereafter be executed affecting the Real Property or any portion thereof; (ii) the lien of any mortgage, deed of trust, assignment of rents and leases or other security instrument (and any advances thereunder) that may now exist or hereafter be executed in any amount for which the Real Property or any portion thereof, any ground leases or underlying leases or Landlord's interest or estate therein, is specified as security; and (iii) all modifications, renewals, supplements, consolidations and replacements thereof, provided in all cases the mortgagees or beneficiaries named in mortgages or deeds of trust hereafter executed or the assignee of any assignment of rents and leases hereafter executed to recognize the interest and not disturb the possession, use and enjoyment of Tenant under this Lease, and, in the event of foreclosure or default, the lease will continue in full force and effect by operation of San Francisco Administrative Code Chapter 37, Section 37.9D, and the conditions imposed on each parcel or subdivision map pursuant to Section 1396.4 (g), as long as Tenant is not in default under the terms and conditions of this Lease. Tenant agrees to execute and deliver, upon demand by Landlord and in the form requested by Landlord, any additional reasonable documents evidencing the priority or subordination of this Lease with respect to any such ground leases, underlying leases, mortgages, deeds of trust, assignment of rents and leases or other security instruments. Subject to the foregoing, Tenant agrees that Tenant shall be bound by, and required to comply with, the provisions of any assignment of rents and leases with respect to the Building.
The Department shall impose the following tentative map conditions on each parcel and subdivision map subject to this Subsection 1396.4 (g) and require that the conditions be satisfied prior to Final Subdivision Map or Parcel Map approval: (A) the property owner(s) of the building provide a written offer for a life time lease pursuant to this Subsection to the tenant(s) in the building and record such offer against the building's title, (B) at the time the tenant(s) accepts the life time lease offer, and even if such acceptance occurs after map approval, a binding agreement between the tenant(s) and the property owner(s) shall be executed and recorded against the property's title, and (C) a binding agreement between the City and the property owner(s) concerning the requirements of this Subsection be recorded against the property's title. For purposes of this Subsection, the Board of Supervisors delegates authority to the DPW Director, in consultation with the Mayor's Office of Housing, to enter in said agreement on behalf of the City and County of San Francisco.

If the owner(s) of a building subject to the life time lease provisions of this Section 1396.4 (g) enters into any contract or option to sell or transfer any unit that would be subject to the lifetime lease requirements or any interest in any unit in the building that would be subject to the lifetime lease requirements at any time between the initial application and recording of the final subdivision map or parcel map, said contract or option shall be subject to the following conditions: (a) the contract or option shall include written notice that the unit shall be subject to the life time lease requirements of Subdivision Code Section 1396.4 (g), (b) prior to final execution of any such contract or option, the owner(s) shall record a notice of restrictions against the property that specifically identifies the unit potentially subject to the life time lease requirements and specifies the requirements of the life time lease as set forth in Section 1396.4 (g)(1), and (c) the recorded notice of restrictions shall be included as a note on the final subdivision map or parcel map. Prior to approval of a final subdivision map or parcel map, the applicant(s) shall certify under penalty of perjury to the Department that he, she, or they have complied with the terms of this Subsection as it applies to a building. Failure to provide this certification from every current owner of a building shall result in disapproval of the map. The content of the notices and certifications required by this Subsection shall comply with the instructions and procedures developed by the Department.

In recognition of the rental requirements of Section (g), the fee for each unit in which a non-purchasing tenant resides at the time specified in Section (g) who is offered a life time lease and is unrelated by blood, marriage, or domestic partnership to any owner of the building shall be refunded to the subdivider under the following formula:

1. One unit, 10% fee reduction for such unit;
2. Two units, 20% fee reduction for each unit;
3. Three units, 30% fee reduction for each unit.

Upon confirmation of compliance with the rental requirement, DPW or the City department in possession of the fee revenue shall refund the amount specified in Section (h) to the subdivider and have all remaining fee revenues transferred to the Citywide Affordable Housing Fund, established in Administrative Code Section 10.100-49, in the following percentage allocations:

1. 25% to the Mayor's Office of Housing and Community Development's program for small site acquisition to purchase market rate housing and convert it to affordable housing; and
2. 75% for the purpose of expanding affordable housing opportunities for low or moderate income households in San Francisco, including, but not limited to, expanding public housing opportunities.

Waiver or Reduction of Fee Based on Absence of Reasonable Relationship.

1. A project applicant of any project subject to the requirements in this Section may appeal to the Board of Supervisors for a reduction, adjustment, or waiver of the requirements based upon the absence of any reasonable relationship or nexus between the impact of development and the amount of the fee charged.
2. Any appeal of requests under this clause shall be made in writing and filed with the Clerk of the Board no later than 15 days after the date the sponsor is required to pay and has paid to the Treasurer the fee as required in this Section. The appeal shall set forth in detail the factual and legal basis for the claim of waiver,
reduction, or adjustment. Upon receipt of the appeal, the Clerk of the Board of Supervisors shall review the appeal in consultation with the City Attorney. If the Clerk of the Board determines that the appeal on its face challenges, on a factual or legal basis, the relationship or nexus between the impact of development and the amount of the fee charged, then the Clerk of the Board shall schedule a hearing under Subsection (3). If the Clerk of the Board in consultation with the City Attorney determines that the appeal on its face does not challenge, on a factual or legal basis, the relationship or nexus, then the Clerk of the Board shall notify the members of the Board of Supervisors within three business days of the Clerk's receipt of the appeal. If any one member of the Board of Supervisors requests within three business days of the Clerk's notification that the Clerk schedule a hearing on the appeal, then the Clerk shall schedule a hearing under Subsection (3). If no member of the Board requests that the Clerk schedule a hearing, then the Clerk shall inform the appellant and the Department of Public Works, within ten business days from the date of the filing, that the filing does not allege a proper basis for appeal, and shall reject the appeal on behalf of the Board of Supervisors.

(3) If the Clerk of the Board schedules a hearing under this Section, the Board of Supervisors shall consider the appeal at the hearing within 60 days after the filing of the appeal. The appellant shall bear the burden of presenting substantial evidence to support the appeal, including comparable technical information to support appellant's position. If a reduction, adjustment, or waiver is granted, any change of use or scope of the project shall invalidate the waiver, adjustment or reduction of the fee. If the Board grants a reduction, adjustment or waiver, the Clerk of the Board shall promptly transmit the nature and extent of the reduction, adjustment or waiver to the Treasurer and Department of Public Works.

(k) Deferred Payment Based Upon Limited Means. A project applicant may apply to the Department of Public Works for a deferral of payment of the fee applied to a specific unit as described in Subsection (e) for the period beginning when the Department receives a complete application until six (6) months after recordation of the final parcel or subdivision map, provided that for the twelve months prior to the date of application, the applicant resided in his or her unit in the subject property as his or her principal place of residence and the applicant's household income was less than 120% of median income of the City and County of San Francisco as determined by the Mayor's Office of Housing. Prior to the final approval of a parcel or subdivision map for any building where an applicant(s) has obtained a fee deferral, the Department shall cause the recordation of a notice of restrictions or other similar document against the title of all owners of the subject property that guarantees payment of the deferred fee at the time set forth in this Subsection.

(l) Buildings that convert pursuant to this Section shall have no effect on the terms and conditions of Section 1341A, 1385A, or 1396 of this Code.

Attachment B

Complaint, Pakdel v. City and County of San Francisco et al., Case No.: 3:17-cv-03638 (U.S. District Court, N.D. Cal.)
UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

PEYMAN PAKDEL and SIMA CHEGINI, Plaintiffs,

v.
CITY AND COUNTY OF SAN FRANCISCO, a Chartered California City and County; SAN FRANCISCO BOARD OF SUPERVISORS; an elected body of the City and County of San Francisco; SAN FRANCISCO DEPARTMENT OF PUBLIC WORKS, a department of the City and County of San Francisco; and DOES 1-25 inclusive,

Defendants.

Case No.: 3:17-cv-03638

INTRODUCTION

1. Plaintiffs Peyman Pakdel and Sima Chegini bring this complaint for relief against the City and County of San Francisco due to its enactment of legislation that illegally and unconstitutionally requires them to enter into a lifetime lease with their tenant after conversion of their property into a condominium.

2. The Fifth Amendment to the United States Constitution prohibits local governments from compelling property owners, like plaintiffs, to offer or continue to offer residential real property for lease when the owners or their immediate family wish to use it as their home. In the present case, plaintiffs chose to rent their home temporarily because of their out-of-state residence, but expected to regain possession of their home when they retired. Yet, the City has recently enacted Ordinance 117-13 (the “Ordinance”) that punishes those who lawfully seek to convert property into a condominium by forcing them to give their non-owning tenants lifetime leases, thereby eliminating their fundamental right to reside in their own homes.

3. There is no income requirement to be eligible for a lifetime lease. Under the Ordinance, rich tenants as well as low-income ones, are entitled to a lifetime lease. The Ordinance thus effects a blatant transfer of wealth from some private citizens to others, without regard to whether there is a need. As such, the Ordinance does not advance the purpose of providing housing to low- and moderate-income households, which the Ordinance cites as its basis. In fact, the lifetime lease provisions of the Ordinance often have an effect opposite to providing affordable housing for low and moderate income households. Many tenancy-in-common owners affected by the Ordinance are single unit owners whose business is not renting. As reported in the San Francisco Chronicle, Nevius, Law Change Means Owners of Mission Unit Can’t Move Back Home (February 4, 2015), the Ordinance can protect those with means, while barring those in need, from returning to their homes.

4. As applied to plaintiffs, the lifetime lease mandated by the Ordinance takes property for a private purpose. To the extent the Ordinance serves a public purpose, the provisions unconstitutionally take property, unconstitutionally function as a condition that is unrelated and
disproportionate to any impact arising from the potential withdrawal of rental units, unreasonably seize property and impose an impermissible burden on the plaintiffs’ Ellis Act, privacy and common law property rights. Consequently, the Ordinance violates the Public Use Clause, Takings Clause, Equal Protection Clause, Due Process Clause and Fourth Amendment of the United States Constitution, the unconstitutional conditions doctrine, the Ellis Act and Art. 1, § 1 of the California constitution. The plaintiffs are therefore entitled to damages and/or equitable relief under 42 U.S.C. § 1983, the Declaratory Judgment Act and California law, including a preliminary injunction.

THE PARTIES

5. Plaintiffs Peyman Pakdel and Sima Chegini are citizens of the State of Ohio. They owned a tenancy in common interest providing for occupancy of one unit in a 6-unit building located at 1170-1180 Green Street, San Francisco, California (the “Property”), which was recently converted into condominiums. The Property is subject to the Ordinance.

6. Defendant City and County of San Francisco is a political subdivision of the State of California, and the local governing authority in San Francisco. The City enacted the Ordinance challenged by this lawsuit. The City is entitled to sue and be sued, and is constrained by the laws of the United States and the State of California, including the United States Constitution, 42 U.S.C. § 1983, the Ellis Act and the California Constitution.

7. Plaintiffs are informed and believe, respondents and defendants CITY AND COUNTY OF SAN FRANCISCO, a Chartered California City and County, SAN FRANCISCO BOARD OF SUPERVISORS, an elected body of the City and County of San Francisco, SAN FRANCISCO DEPARTMENT OF PUBLIC WORKS, a department of the City and County of San Francisco (the “DPW”) and DOES 1-25, inclusive (collectively the “City”), are now, and at all times herein mentioned in this petition and complaint have been, organized and existing under the Constitution and Laws of the State of California and under the City of San Francisco’s charter. At all times herein mentioned, each of the respondents were agents of the other and were acting within the course and scope of that agency.
JURISDICTION AND VENUE

8. This Court has jurisdiction based on federal question jurisdiction because this Complaint is based on claims under the United States Constitution and federal law, including 42 U.S.C. § 1983, as well as pendent jurisdiction over the state law claims. In addition, this Court has jurisdiction over all of the claims because of diversity of citizenship and the fact that the amount in controversy exceeds $75,000. Therefore, there is jurisdiction under 28 U.S.C. §§ 1331 and 1332. Venue is proper in this District under 28 U.S.C. § 1391 because the claims arose in this District, defendants are located in this District, and the property at issue is located in this District.

FACTS

9. In 2009, plaintiffs purchased a tenancy-in-common interest (“TIC interest”) in real property in the City and County of San Francisco commonly known as 1170-1180 Green Street (the “Property”) and entered into a Tenancy in Common Agreement (“TICA”) with the other tenancy-in-common interest owners of the Property. The Property contains six dwelling units. The TIC interest purchased by plaintiffs includes the right to exclusively occupy one of the units in the Property, with the address of 1180 Green Street (the “Unit”). Plaintiffs temporarily leased their Unit to a tenant in 2010, because they reside out-of-state and did not intend to use the Unit as their home until after they retire.

10. The TICA provides that plaintiffs agree to take all steps necessary to convert the Property to condominiums and to share the expenses of the conversion to condominiums equally with the other co-tenants. This clause commonly exists in San Francisco TICAs because one of the main objectives of such agreements is to convert to condominiums so the co-tenants can gain title to their respective properties. At the time that the TICA was adopted, the rules governing condominium conversion did not require lifetime leases and respected owners’ rights under state and local law to obtain possession of their property for purposes such as living in the condominium themselves, as Plaintiffs intend to do when they retire.

11. On June 28, 2013, the San Francisco Board of Supervisors enacted Ordinance 117-13 (the “Ordinance”), amending its Subdivision Code by adding Section 1396.4 to permit certain
buildings, including the Property, to convert to condominiums. The Board was fully aware that San Francisco TICAs typically have a provision requiring participation in condominium conversion and designed the Ordinance to take advantage of that provision.

12. The Ordinance (Section 1396.4(g)(1) and (3)) requires as a condition of a condominium conversion, that a written offer to enter into a lifetime lease with non-owning tenants, in the form prescribed by the San Francisco Department of Public Works (“DPW”), be executed and recorded prior to the time of final map approval for the condominium conversion.

13. The Ordinance (Section 1396.4(g)(3)) also requires, as a condition of a condominium conversion, that an agreement between the City and the property owner(s) regarding the requirements of Section 1396.4, be executed and recorded prior to the time of final map approval for the condominium conversion.

14. However, the Ordinance (Section 1396.4(g)(3)(B)) does not require that a binding lifetime lease agreement between the property owner(s) and non-owning tenant be executed and recorded as a condition of the condominium conversion. Instead, the Ordinance (Section 1396.4(c)(3)(B)) provides that a non-owning tenant may accept a lifetime lease offer after the condominium conversion in which event a binding lifetime lease must then be executed and recorded. The Ordinance (Section 1396.4(b)(11)) provides that if this requirement is violated after the condominium conversion, the DPW “shall take such actions as are available and within its authority to address the violation”.

15. The Ordinance (Uncodified, Section 7) further provides that if a lawsuit is filed against the City challenging Section 1396.4(g), the condominium conversion program allowed by Section 1396.4(g) will be suspended for properties with units occupied by non-owning tenants.

16. Given the cooperation clause in the TICA, plaintiffs are subject to a legally binding obligation to take all steps necessary to convert the Property to condominiums or compensate their co-tenants for potentially significant damages.

17. The Property owners applied to the DPW for a condominium conversion pursuant to the Ordinance on March 13, 2015. The Property owners submitted to the DPW an offer of lifetime
lease documents relating to the Unit to the DPW on November 3, 2016 and an agreement with the
City on November 10, 2016 to provide a lifetime lease of the Unit (the “Agreement”) on or about
November 10, 2016. The submission of both of these documents was required as a condition of the
condominium conversion under the Ordinance.

18. The Agreement, contrary to California law, purported to waive plaintiffs’ rights
under the Ellis Act and the Costa-Hawkins Act as a condition of the condominium conversion under
the Ordinance.

19. The Agreement also purports to fall within an exception to the Ellis Act and the
Costa-Hawkins Act for certain programs promoting low-income housing. The Ordinance’s lifetime
lease provisions are not focused on providing low-income housing and therefore do not fall within
this exception.

20. Under the Fifth Amendment, specific performance of the Agreement and the offer of
a lifetime lease, cannot be enforced against plaintiffs because they are not just and reasonable as to
plaintiffs and because plaintiffs have not received adequate consideration.

21. The Agreement purports to provide consideration in the form of a $4,000 rebate in
the conversion application fee and reduction of financing costs. Plaintiffs have no financing costs
for the Unit and the $4,000 is grossly inadequate given the lost property value of more than
$500,000 that will be caused by the transfer of the lifetime lease interest.

22. The condominium deeds for the Property, including the Unit were recorded on
March 25, 2017.

23. The plaintiffs’ tenant in the Unit submitted an executed lifetime lease to the plaintiffs
on or about May 5, 2017.

24. On June 9, 2017 and June 13, 2017 plaintiffs requested that the City not require them
to execute and record the lifetime lease under the Ordinance, or in the alternative to compensate
them for transferring a lifetime lease interest in their property.

25. On June 12 and 13, 2017, the City stated that failure to execute the lifetime lease
would be a violation of the Ordinance (which would subject the plaintiffs to enforcement action)
and that the City would not compensate plaintiffs for transferring a lifetime lease interest in their property.

26. Plaintiffs have not executed and recorded a lifetime lease in connection with the Unit, but will do so by the Ordinance’s deadline in March 2019 unless the lifetime lease requirement is enjoined by this court.

FIRST CAUSE OF ACTION

Taking of Private Property for a Private Purpose—

As Applied Claim Under 42 U.S.C. § 1983

27. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 26 as though fully set forth herein.

28. It is well established that, under the Public Use Clause of the Fifth Amendment to the Constitution, local governments may not take private property for a private purpose.

29. The Ordinance requires plaintiffs to transfer a lifetime lease interest in his Unit to a private person, namely, his tenant, when plaintiffs’ co-tenants in the Property exercise their right to convert the Property to condominiums.

30. The Ordinance benefits private persons, not the general public. The private benefit accruing to tenants from the Ordinance’s lifetime lease provisions far outweighs any conceivable incidental public benefit.

31. The lifetime lease from plaintiffs to their tenant in this case in intended to favor a particular private party with only incidental or pretextual public benefits and therefore violates the Public Use Clause.

32. The Ordinance was intended to benefit private parties.

33. The Ordinance serves a private purpose and use and therefore violates the Public Use Clause of the Takings Clause of the Fifth Amendment.

34. Plaintiffs have been harmed in the amount of the reduced market value of the Unit unless Defendants are enjoined.
35. The City’s failures are a substantial factor, in fact the only factor, in causing plaintiffs’ harm.

36. The Public Use Clause violation arising from the Ordinance is occurring under color of state law and violates 42 U.S.C. § 1983.

SECOND CAUSE OF ACTION

Unconstitutional Physical Taking of Private Property—

As Applied Claim Under 42 U.S.C. § 1983

37. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 36 as though fully set forth herein.

38. The Ordinance functions as a straight-out governmental demand that plaintiffs give a lifetime lease to their tenant. It forces plaintiffs to submit to the physical occupation of their property.

39. Therefore, to the extent the Ordinance serves a public purpose, it effects an unconstitutional physical taking of plaintiffs’ property.

40. The Ordinance requirement that plaintiffs enter into a lifetime lease with their tenant, takes private property without providing a mechanism for compensation and therefore violates the Public Takings Clause.

41. Plaintiffs have been harmed in the amount of the reduced market value of the Unit unless Defendants are enjoined.

42. The City’s failures are a substantial factor, in fact the only factor, in causing plaintiffs’ harm.

43. The violation of plaintiffs’ constitutional rights effected by the Ordinance is occurring under color of state law and violates 42 U.S.C. § 1983.
THIRD CAUSE OF ACTION

Unconstitutional Exaction/Condition and Taking of Private Property—

As Applied Claim Under 42 U.S.C. § 1983

44. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 43 as fully set forth herein.

45. The Ordinance obligates plaintiffs to transfer a lifetime lease interest to their tenant under the circumstances of the present case.

46. Real property is constitutionally protected property.

47. If the City had simply demanded that plaintiffs hand over a lifetime lease interest to their tenant, it would be liable for a per se unconstitutional physical taking of property.

48. Under Nollan v. California Coastal Commission (Nollan), 483 U.S. 825 (1987), Dolan v. City of Tigard (Dolan), 512 U.S. 374 (1994), and Koontz v. St. Johns River Water Management District (Koontz), 133 S. Ct. 2586 (2013), the government may constitutionally exact property from property owners, such as plaintiffs, as a condition of allowing the Property owners to exercise a property right only if:

a. The exaction directly mitigates a public impact directly arising from the property owners’ exercise of their property right;

b. The exaction is roughly proportionate in both nature and degree to the public impact arising from the property owners’ exercise of the property right.

49. The Ordinance provides for lifetime leases for existing tenants in certain buildings converting to condominiums to protect the tenants from increased rents. The differential between market rents and regulated rents arises from two variables, neither of which is attributable to plaintiff.

50. The first variable, the market rent, is caused by entrenched market forces and structural decisions made by the City long ago in the management of its housing stock. The market effect of a potential withdrawal of plaintiffs’ Unit, or even annual withdrawals from the rental
market of units in the City because of condominium conversions, is infinitesimally small. Such withdrawals do not cause high market prices.

51. The regulated rent that plaintiffs’ tenant currently enjoys is a creature of regulation that the City imposes on the property owner as rent control. It is the City’s rent control scheme that results in lower-than-market rates, not plaintiffs’ actions.

52. As a result, the Ordinance does not share an essential nexus with and is not roughly proportional to any impact of the condominium conversion in this case.

53. In requiring property owners such as plaintiffs to offer a lifetime lease to their tenant as a condition of them and their co-tenants exercising their state law property right to convert the Property to condominiums, the Ordinance imposes an unconstitutional condition and unconstitutionally exacts and takes private property.

54. The lifetime lease requirement imposed by the Ordinance violates the constitutional principles articulated in Nollan, Dolan, and Koontz.

55. Plaintiffs have been harmed in the amount of the reduced market value of the Unit unless Defendants are enjoined.

56. The City’s failures are a substantial factor, in fact the only factor, in causing plaintiffs’ harm.

57. The unconstitutional exaction arising from the Ordinance is occurring under color of state law and violates 42 U.S.C. §1983.

FOURTH CAUSE OF ACTION

Unconstitutional Regulatory Taking—As Applied

58. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 57 as though fully set forth herein.

59. If the Ordinance does not amount to a physical taking or an unconstitutional exaction/condition as applied to plaintiffs, it causes a regulatory taking as applied to plaintiffs.
60. The Ordinance’s demand that plaintiffs transfer a lifetime lease interest to their
tenant has a severe economic impact on plaintiffs.

61. The Ordinance interferes with the plaintiffs’ distinct expectations of using their Unit
as their home, including their reasonable expectation that they would not be subject to a lifetime
lease obligation not in effect when they purchased their property. The Ordinance substantially
lessens the market value of plaintiffs’ Unit.

62. The Ordinance requires plaintiffs to submit to the physical occupation of their
property, and has the character of a taking as applied to plaintiffs.

63. The Ordinance causes a taking of plaintiffs’ property under Penn Central

64. Plaintiffs have been harmed in the amount of the reduced market value of the Unit
unless Defendants are enjoined.

65. The City’s failures are a substantial factor, in fact the only factor, in causing
plaintiffs’ harm.

66. The unconstitutional taking of plaintiffs’ property arising from the Ordinance is

FIFTH CAUSE OF ACTION

Unreasonable Seizure in Violation of the Fourth Amendment—
As Applied Claim Under 42 U.S.C. § 1983

67. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1
through 66 as though fully set forth herein.

68. The Fourth Amendment applies in the civil context.

69. Real property is protected from unreasonable seizure by the Fourth Amendment.

70. The Ordinance meaningfully interferes with plaintiffs’ possessory interests in their
real property.

71. The City’s enforcement of the Ordinance’s lifetime lease provisions unreasonably
seizes plaintiffs’ property.
72. Plaintiffs have been harmed in the amount of the reduced market value of the Unit unless Defendants are enjoined.

73. The City’s failures are a substantial factor, in fact the only factor, in causing plaintiffs’ harm.

74. The unreasonable seizure arising from the Ordinance is occurring under color of state law and violates 42 U.S.C. § 1983.

SIXTH CAUSE OF ACTION
Violation of Due Process—As Applied

75. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 74 as though fully set forth herein.

76. Plaintiffs have a property right, under state law, consistent with the Ellis Act and the Costa-Hawkins Act, to use and enjoy their Unit as their home.

77. The Ordinance eviscerates plaintiffs’ vested right to use their Unit as their home, under the provisions of the Ellis Act and the Costa-Hawkins Act, which were both enacted prior to the Ordinance’s enactment.

78. The Ordinance requirement that plaintiffs enter into a lifetime lease with their tenant under the circumstances of this case, deprive plaintiffs of a protected property right by arbitrary and unreasonable action bearing no substantial relation to the public health, safety, merits, or general welfare; or interferes with rights implicit in the concept of ordered liberty. As a result, the Ordinance as applied to plaintiffs, violates the Due Process Clause.

79. Plaintiffs have been harmed in the amount of the reduced market value of the Unit unless Defendants are enjoined.

80. The City’s failures are a substantial factor, in fact the only factor, in causing plaintiffs’ harm.

81. The violation of plaintiffs’ due process rights occurring under the Ordinance arises under color of state law and violates 42 U.S.C. § 1983.
SEVENTH CAUSE OF ACTION

Violation of Equal Protection – As Applied

82. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 81 as though fully set forth herein.

83. Plaintiffs are similarly situated with the other tenants-in-common in the Property, which was converted into a condominium. As tenants-in-common, plaintiffs have the right, consistent with the Ellis Act and the Costa-Hawkins Act, to use the Unit as their home. The Ordinance establishes a classification providing that tenants-in-common with existing tenants must offer and enter lifetime leases with tenants, while those who do not have existing tenants have no obligation to offer and enter into a lifetime lease.

84. This classification injures a particular class of private parties, with only incidental or pretextual public justifications and therefore violates the Equal Protection Clause.

85. The City was acting or purporting to act in the performance of their official duties.

86. The City’s conduct violated plaintiffs’ rights to equal protection of the law.

87. As a result, plaintiffs have been harmed in the amount of the reduced market value of the Unit unless Defendants are enjoined.

88. The City’s actions are a substantial factor, in fact the only factor, in causing plaintiffs’ harm.

89. The violation of plaintiffs’ equal protection rights occurring under the Ordinance arises under color of state law and violates 42 U.S.C. § 1983.

EIGHTH CAUSE OF ACTION

Violation of the Ellis Act and the Costa-Hawkins Act –
As Applied Claim Under
California Government Code § 7060-7060.7,
California Civil Code § 1954.52
90. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 89 as though fully set forth herein.

91. California Government Code Section 7060(a) of the Ellis Act prohibits local governments from compelling a property owner of residential real property to offer or continue to offer their property for lease.

92. Under California state law, a local government violates the Ellis Act, when it burdens the right to withdraw a rental unit from the rental market with unreasonable and excessive conditions.

93. The Ordinance’s lifetime lease provisions constitute an unreasonable, excessive, and impermissible burden on the plaintiffs’ Ellis Act right to withdraw their Unit from the rental market, and effectively prevents them from withdrawing their Unit, in violation of the Ellis Act.

94. California Civil Code § 1954.52 of the Costa-Hawkins Act, provides that a residential real property owner may establish rental terms at the commencement of a tenancy.

95. The Ordinance’s lifetime lease provision prevent plaintiffs from establishing rental terms at the commencement of the tenancy for the Unit after the condominium conversion in violation of the Costa-Hawkins Act.

96. The Ordinance is not in accordance with California law as applied to plaintiffs.

NINTH CAUSE OF ACTION

Violation of Privacy Right – As Applied

Claim Under Cal. Const. Art. I., § 1

97. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 96 as though fully set forth herein.

98. Plaintiffs have an autonomy privacy interest in excluding persons from their private residence.

99. Plaintiffs have a reasonable expectation of using their Unit, as their home, and excluding his tenant by terminating the lease of their Unit in accordance with the Ellis Act and the Costa-Hawkins Act.
100. The Ordinance constitutes a serious invasion of plaintiffs’ privacy by requiring them to enter a lifetime lease with their tenant, thereby preventing them from withdrawing their home from the rental market and excluding their tenant from their private residence.

101. The Ordinance prevents plaintiffs from exercising their right to go out of the business of renting in accordance with the Ellis Act and the Costa-Hawkins Act. It also forces plaintiffs to share their home with others who are unwelcome. As a result, the Ordinance violates plaintiffs’ rights to privacy under the California constitution, Art. 1, § 1, with no strong countervailing interest since it employs a means legally forbidden to the City by state law.

TENTH CAUSE OF ACTION

Declaratory Relief

102. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 101 as though fully set forth herein.

103. Under the Fourth, Fifth and Fourteenth Amendment to the United States Constitution, plaintiffs have a federal right to be free from a taking of their private property for a private purpose, and from laws that take or seize property for a public purpose, but on an unreasonable ground and without any mechanism for compensation. Under the Due Process Clause of the Fourteenth Amendment, plaintiffs have a right to be free from an irrational and illegitimate deprivation of their property. Under the Equal Protection Clause, plaintiffs have a right to equal protection of the law.

104. Under state common law, the Ellis Act and the Costa-Hawkins Act, plaintiffs have a right to withdraw their property from the rental market, and to be free of any law that unreasonably and impermissibly burdens their state law property right so as to effectively force them to remain landlords.

105. Under the California constitution, plaintiffs have an autonomy privacy interest in excluding persons from their private residence.
106. Under California law, specific performance of the Agreement and the offer of a lifetime lease, cannot be enforced against plaintiffs because they are not just and reasonable as to plaintiffs and because plaintiffs have not received adequate consideration.

107. Defendants have enacted, and are charged with enforcing, an Ordinance that retroactively and immediately takes private property for a private purpose and without a rational or a reasonable basis. To the extent the Ordinance serves a public purpose, it takes private property without providing a mechanism for compensation.

108. There is a justiciable controversy in this case as to whether the Ordinance violates the Fourth, Fifth and Fourteenth Amendments, the California constitution’s privacy right as applied to plaintiffs, the Ellis Act and the Costa-Hawkins Act, and whether specific performance of the Agreement and the offer of lifetime lease may be enforced against plaintiffs.

109. A declaratory judgment as to whether the Ordinance unconstitutionally takes property, seizes property, deprives plaintiffs of their property, deprives plaintiffs of equal protection of law, violates their privacy rights under the California constitution, and violates the Ellis Act and the Costa-Hawkins Act, and whether specific performance of the Agreement and the offer of a lifetime lease may be enforced against plaintiffs, will clarify the legal relations between plaintiffs and defendants, with respect to enforcement of the Ordinance.

110. A declaratory judgment as to the constitutionality and legality of the Ordinance will give the parties relief from the uncertainty and insecurity giving rise to this controversy.

ELEVENTH CAUSE OF ACTION

Injunctive Relief

111. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 110 as though fully set forth herein.

112. Plaintiffs have no adequate remedy at law to address the unlawful and unconstitutional taking and deprivation of their property effected by the Ordinance and under color of state law.
113. There is a substantial likelihood that plaintiffs will succeed on the merits of their claims that the Ordinance unconstitutionally takes private property, unconstitutionally deprives plaintiffs of their property, unconstitutionally deprives plaintiffs of equal protection of the law, violates the Ellis Act and violates the California constitution, the Ellis Act and the Costa-Hawkins Act.

114. Plaintiffs are immediately required to transfer a lifetime lease interest in their Unit to their tenant or suffer defendants’ enforcement action. They cannot avoid those events without judicial relief, and will suffer irreparable injury absent a preliminary injunction restraining defendants from enforcing the Ordinance pending a final adjudication in this case.

115. Plaintiffs will suffer irreparable injury absent a permanent injunction restraining defendants from enforcing the Ordinance.

116. Plaintiffs’ injury—the immediate, unconstitutional, and illegal taking of property for the private use of tenants—outweighs any harm the injunction might cause defendants.

117. An injunction restraining defendants from enforcing the confiscatory, unconstitutional and illegal Ordinance as applied to plaintiffs will not impair, but rather enhance, the public interest.

**TWELFTH CAUSE OF ACTION**

**Writ of Mandate –**

**Cal. Civ. Proc. Code § 1085 – or Other Appropriate Relief**

118. Plaintiffs hereby realleges each and every allegation contained in paragraphs 1 through 117 as though fully set forth herein.

119. The Ordinance is invalid as applied to plaintiffs because of the constitutional and state law violations described above.

120. Plaintiffs have a beneficial interest in insuring that the lifetime lease provisions of the Ordinance are found invalid and void as applied to them, and that respondents are ordered not to apply them to them, so that their constitutional and state law rights are not infringed or limited.
121. Plaintiffs do not have a plain, speedy or adequate remedy in the ordinary course of law, and therefore writ relief is necessary.

**RELIEF SOUGHT**

WHEREFORE, plaintiffs pray for judgment from this court as follows:

1. Damages in excess of $500,000 resulting from the diminished value of Plaintiffs’ property;

2. A declaratory judgment that the Ordinance’s lifetime lease requirement violates the Public Use Clause of the Fifth Amendment as applied to plaintiffs and is therefore invalid and unenforceable against plaintiffs;

3. A declaratory judgment that the Ordinance’s lifetime lease requirement violates the Takings Clause as applied to plaintiffs, and is therefore invalid and unenforceable against plaintiffs;

4. A declaratory judgment that the Ordinance’s lifetime lease requirement violates Nollan, Dolan, and Koontz and the Unconstitutional Conditions doctrine as applied to plaintiffs, and is therefore invalid and unenforceable against plaintiffs;

5. A declaratory judgment that the Ordinance’s lifetime lease requirement violates the Due Process Clause of the Fourteenth Amendment as applied to plaintiffs and is therefore invalid and unenforceable against plaintiffs;

6. A declaratory judgment that the Ordinance’s lifetime lease requirement violates the Fourth Amendment as applied to plaintiffs and is therefore invalid and unenforceable against plaintiffs;

7. A declaratory judgment that the Ordinance’s lifetime lease requirement violates the Equal Protection Clause as applied to plaintiffs and is therefore invalid and unenforceable against plaintiffs;

8. A declaratory judgment that the Ordinance’s lifetime lease requirement violates the Ellis Act and the Costa-Hawkins Act as applied to plaintiffs, and is therefore invalid and unenforceable against plaintiffs;
9. A declaratory judgment that the Ordinance’s lifetime lease requirement violates Cal. Const. Art. 1., § 1 as applied to plaintiffs, and is therefore invalid and unenforceable against plaintiffs;

10. A declaratory judgment that specific performance of the Agreement and the lifetime lease requirement is not enforceable against plaintiffs;

11. A preliminary and permanent injunction preventing defendants from enforcing or taking further action to enforce the Ordinance’s lifetime lease requirement as applied to plaintiffs;

12. For a writ of mandate or other appropriate relief, including a mandatory injunction, directing and commanding respondents to rescind the lifetime lease provisions of the Ordinance;

13. For an alternative writ against respondents commanding them to file a response to this petition and to appear before this court on a date to be determined and show cause why a writ of mandate should not issue invalidating the lifetime lease provisions of the Ordinance;

14. For an immediate stay of enforcement of the lifetime lease provisions of the Ordinance;

15. For reasonable attorney’s fees and expert fees for bringing and maintaining this action, including under 42 U.S.C. § 1988;

16. For costs of suit and attorney’s fees pursuant to the California Code of Civil Procedure § 1021.5 and California Government Code § 800;

16. For such other and further relief that the court deems just and proper under the circumstances of this case.

San Francisco Board of Supervisors Ordinance No. 117-13
[Subdivision Code - Condominium Conversion Impact Fee]

Ordinance amending the Subdivision Code, by adding Section 1396.4, to adopt a condominium conversion impact fee applicable to certain buildings qualifying for participating but not being selected or participating in the 2013 or 2012 condominium conversion lottery only that would be permitted to convert during a six-seven year period, and subject to specified requirements, including lifetime leases for non-purchasing tenants; adding Section 1396.5, to suspend the annual condominium conversion lottery until 2024 and resume said lottery under specified circumstances tied to permanently affordable rental housing production; amending Section 1396, to restrict future condominium lotteries to buildings of no more than four units with a specified number of owner occupied units for three years prior to the lottery and provide an exception for certain five- and six-unit buildings to participate in the lottery; and adopting environmental findings.

NOTE: Additions are single-underline italics Times New Roman; deletions are strike-through italics Times New Roman. Board amendment additions are double-underlined; Board amendment deletions are strikethrough normal.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings. (a) The Planning Department has determined that the actions contemplated in this Ordinance are in compliance with the California Environmental Quality Act (California Public Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 120669 and is incorporated herein by reference.
(b) This Board finds that the condominium conversion impact fee as set forth in this legislation is an appropriate charge imposed as a condition of property development, which in this case is the City's approval of a condominium conversion subdivision, a discretionary development approval pursuant to the San Francisco Subdivision Code and the California Subdivision Map Act. Based on data, information, and analysis in a Condominium Conversion Nexus Analysis report prepared by Keyser Marston Associates, Inc., dated January 2011, and the findings of Planning Code Section 415.1 concerning the City's inclusionary affordable housing program, this Board finds and determines that there is ample evidentiary support to charge the impact fee set forth herein as it relates to a subdivision map approval that allows the conversion of existing dwelling units into condominiums. Said impact fee charge also is lower than the fee amount supported in the abovementioned Nexus Analysis report. As a consequence the Board finds that the amount of this charge is no more than necessary to cover the reasonable costs of the governmental activity and programs related to condominium conversion. The Board further finds and determines, that based on this evidence, the manner in which these fees are this charge is allocated and assessed on a per unit cost for each unit converted to a condominium bears a reasonable relationship to the subdivision applicants' burdens on the City that result from the change in use and ownership status from a dwelling unit within an unsubdivided property to a separate interest in a condominium unit. A copy of the report on the fees charge identified herein is in Clerk of the Board of Supervisors File No. 120669 and is incorporated herein by reference. The City Controller's Office has independently confirmed that the fee amounts identified in said report remain valid. This determination is on file with the Clerk of the Board of Supervisors File No. 120669 and is incorporated herein by reference.

(c)(1) The Board further finds that the present backlog of existing applications for condominium conversion under the existing 200-unit annual condominium conversion lottery

Supervisors Chiu, Kim, Yee
BOARD OF SUPERVISORS
process in Subdivision Code Article 9 (Conversions) extends well over a decade. Indicative of this backlog, approximately 700 tenancy-in-common (TIC) and other owner-occupied buildings, containing 2,269 dwelling units, registered for the 2013 lottery condominium conversion lottery in an effort to be selected for the 200 units that were available. The proposed expedited approval process for condominium conversions (the "Expedited Conversion program") is intended as a one time adjustment to the backlog in applications for conversions given the specific needs of existing owners of tenancy-in-common units. Therefore, the Expedited Conversion program set forth in this legislation's proposed Section 1396.4 is intended as the exclusive method for allocating approvals for conversions of apartments and tenancy-in-common buildings into condominiums for the entire period that is established in the proposed Section 1396.5.

(2) The Expedited Conversion program that this Ordinance creates will bring significant economic value to owners who utilize it. According to the City Controller's April 2, 2013 Economic Impact Report, condominium conversion "creates clear financial advantages for owners of tenancies-in-common (TIC) buildings." In addition to the estimated 15% premium gained by converting a TIC to a condominium, as projected in the Keyser Marston Associates 2011 Nexus Analysis, the Controller's report notes that because State law does not otherwise allow rent limitations on condominiums after the subdivider sells them, future owners of these converted condominiums after the rental limitation period terminates "have the opportunity for greater rental income than owners of TIC units, the vast majority of which are subject to rent control."

(3) Due to the present backlog of existing applications, the Office of the Controller estimates that owners of 1,730 of the units not selected in the 2013 lottery would pay the impact-fee condominium conversion charge and avail themselves of the seven-year Expedited Conversion program. The program also permits TICs that did not enter the 2012
and 2013 lottery to convert, which could result in more than 1,730 dwelling units taking
advantage of the eExpedited eConversion program. The number of conversions is therefore
anticipated to be well in excess of the 200 unit per year allotment in the existing lottery. The
Ordinance balances the number of units converted under this program in a relatively short
period of time by suspending the lottery until the City’s affordable housing production replaces
the number of units converted under the eExpedited eConversion program. The maximum
number of years of suspension of the lottery will be the number of converted units divided by
200. Therefore, under the suspension, there will be no net loss of the number of converted
units over time as compared to the existing lottery. Conversions of apartments to
condominiums also results in the eviction of existing tenants in the converted buildings
because many tenants cannot afford to purchase their units. A large number of conversions
under the eExpedited eConversion program would magnify this impact and result in a large
number of tenants evicted into a very expensive rental housing market. The Office of the
Controller estimates that tenants of these converted properties would likely spend between
$0.8 and $1.1 million annually in higher rent alone due to displacement and/or rent decontrol.
Therefore, the Ordinance balances this impact on existing tenants and the effects of tenant
displacement on the City in general by requiring that applicants for the Expedited Conversion
program offer existing tenants a lifetime lease. The abovementioned Controller’s report is on
file with the Clerk of the Board of Supervisors in File No. 120669 and is incorporated herein by
reference.

(3)(4) In addition, this legislation attempts to integrate this process with the adoption of
additional controls on future conversions. This legislation does not intend to affect in any way
the conversion of 100% owner-occupied two-unit buildings in accordance with the terms of
Subdivision Code Section 1359.
(d) As set forth in the Housing Element of the General Plan, in particular Objective 3, it is the City's policy to preserve the existing supply of rent controlled housing and to increase the production of new affordable rental units. Policy 3.1 states that is the City’s policy to “[p]reserve rental units, especially rent controlled units, to meet the City’s affordable housing needs.” Policy 4.4 states it is the City’s policy to “[e]ncourage sufficient and suitable rental housing opportunities, emphasizing permanently affordable rental units wherever possible.” And, Policy 9.2 provides that it is City policy to “[c]ontinue prioritization of preservation of existing affordable housing as the most effective means of providing affordable housing.” Therefore, the conversion of rental housing into condominiums, without replacement, results in the loss of existing rent controlled housing contrary to public policy.

(e) In 2012, the voters of the City of San Francisco approved Proposition C that proposed in part to fund and produce 930,000 affordable rental housing units over thirty years, establishing an annual baseline production of approximately 300 net new affordable housing units. The Board determines that this legislation is compatible with the goals of Proposition C and resumption of the condominium conversion lottery is properly benchmarked in relationship to new affordable housing production as contemplated in Proposition C. Further, the Board finds that Proposition C’s limitations on new affordable housing fees were intended to apply to fees on new residential construction projects and not to the condominium conversion charges set forth in this Ordinance which would be imposed only on existing residential buildings that obtain a condominium subdivision and involve no net increase in new housing units.

(f) It is the further intent of this legislation to suspend future conversions of rental housing pending the one for one replacement of units converted through the eExpedited eConversion program beyond the City’s net new annual baseline production and to provide additional protections to tenants in buildings to be converted as specified above.
(g) The Board finds that the rate of TIC creation and demand for condominium conversions to date has far exceeded the rate of allowable conversions under existing law. The Board also finds that the unsustainable growth of the TIC form of ownership poses challenges and adverse consequences for which many consumers are unprepared and that those challenges are greater for larger building sizes. However, increasing the number of allowable conversions would impose a burden on the City's capacity to develop sufficient replacement rental housing units and to assist displaced tenants. Therefore, it is the intent of this legislation to re-establish the condominium lottery conversion process on a more sustainable basis following the restart of the lottery and to encourage long-term ownership in smaller buildings.

Section 2. The San Francisco Subdivision Code is hereby amended by adding Sections 1396.4 and 1396.5, to read as follows:
